Work History I

Owner & Strategic finance consultant - Valour Consulting BV (Maastricht)

Supporting executives and management in financial and organizational challenges, including value creation, capital management, and governance. Combines financial expertise with a strategic perspective, guiding organizations through transformation and sustainable growth.

Assignments & Projects:

2025 - present

Business controller | Project controller - Woonbedrijf (Eindhoven)

Providing strategic financial advice to management, assessing investment and policy initiatives for viability, overseeing risk management and compliance, safeguarding financial continuity, and focusing on sustainable value creation with attention to social impact.

2022 - current

Director at P.R.S.C. BV in Maastricht

2023 – 2025

Business Controller - Brightlands Chemelot Campus Vastgoed CV (Geleen-Sittard)

Responsible for the multi-year budgets for 2024 & 2025, annual reports for 2023 & 2024, and serving as strategic business partner for real estate projects and investments. Involved in shareholder agreements (SOK), (re)financing of the real estate portfolio, and transitioning to fair value accounting.

2023 - 2023

Finance manager / Business Controller - Esaote Europe B.V. (Maastricht)

Responsible for business & financial control and for optimizing and automating financial reporting processes.

2022 – 2023

Business & Financial Controller / Consultant Coach – Bonnefanten Museum (Maastricht)

Provided training and coaching to the controller (budgeting, analysis, PowerQuery/Power BI). Handled going-concern administration, process optimization, subsidy audits, annual report preparation, budgeting, and dashboard development (Exact Online & Power BI).

2021 – 2022

Chief Accountant – LECO Europe BV (Geleen)

Managed accounting for the French and UK subsidiaries, ensured seamless maternity-leave continuity, and led the 2021 statutory and reporting audit.

Work History II

Permanent positions

2017 - 2022

Manager F&C / Controller Facility Services & Real Estate - Maastricht University (Maastricht)

Responsible for financial steering and strategic advisory within Facility Services, including multi-year budgeting, reporting, and policy development. As an MT member, led the Finance & Control team (6 FTE) and strengthened data-driven decision-making and operational efficiency. Optimized processes, improved governance, and increased financial transparency across the department.

2016 – 2017

Controller - Solvay (Linne-Herten & Klundert)

Responsible for financial control and decision-support for two production sites. As part of the Site Management Team, delivered reliable reporting and analysis supporting profitability and strategic investment decisions.

2015 – 2016

Controller - INVISTA Nederland BV (Kerkrade)

As financial lead within the Site Management Team, drove transparency, cost control, and value creation. Restructured the cost center framework, simplifying financial reporting and improving profitability insights, enabling better-informed site-level decisions.

2008 – 2015

Plant Controller - Celanese Emulsions BV (Geleen & Perstorp, Sweden)

Responsible for financial performance, compliance, and reporting for the Geleen production site and temporarily for the Swedish site. MT member and sparring partner for Production and Operations. Improved spend predictability and strengthened financial discipline across the organization.

2007 – 2008

Assistant Financial Controller - PQ Europe (Maastricht)

2005 – 2007

Planning & Control Officer - SROL (Heerlen)

2004 – 2005

Department Manager Administration - Media Markt (Maastricht & Eindhoven)
